

A

Specifications

This appendix lists the general specifications of your computer.

Microprocessor

- ❑ Intel Pentium® processor with MMX technology

Memory

- ❑ 16MB on board memory (with one 64-bit memory bank) expandable to 80 MB
- ❑ 256KB 2nd level cache memory
- ❑ 256KB Flash ROM BIOS

Data Storage

- ❑ One 2.5-inch, 12.5mm/9.5mm hard disk drive
- ❑ One 3.5-inch internal floppy disk drive (floppy drive model only)
- ❑ One 3.5-inch external floppy disk drive (CD-ROM model only)
- ❑ One 5.25-inch internal CD-ROM drive (CD-ROM model only)

Specifications

Display and Video

- ☐ 12.1-inch high contrast DualScan or TFT color LCD
- ☐ 800x600 SVGA resolution
- ☐ 1.1MB EDO video memory
- ☐ PCI local bus video with graphics accelerator
- ☐ Simultaneous LCD and CRT display

Audio

- ☐ 16-bit stereo audio
- ☐ Dual speakers
- ☐ Sound Blaster Pro- and Windows Sound System-compatible
- ☐ Separate audio ports for line-in, line-out and microphone-in

Keyboard & Pointing Device

- ☐ 84-/85-/88-key Windows 95 keyboard
- ☐ Ergonomically-centered touchpad pointing device

Specifications

I/O Ports

- ☐ Two type II/I or one type III CardBus socket(s)
- ☐ One RJ-11 phone jack¹ (on some models)
- ☐ One DC-in jack (AC adapter)
- ☐ One RS-232 serial port
(UART16550-compatible)
- ☐ One parallel port/external floppy drive port
(ECP-compliant)
- ☐ One external monitor port (I²C-compatible)
- ☐ One keyboard/mouse port (PS/2-compatible)
- ☐ One audio line-out jack (speaker-
/headphone-out jack)
- ☐ One audio line-in jack
- ☐ One microphone-in jack
- ☐ One USB port

¹ This feature is available only in the U.S., Canada, Japan and Taiwan. For other regions, you can connect a PC Card modem. Consult your dealer for details.

Specifications

Weight

- ❑ 2.9 kg (6.37 lbs.) including battery

Dimensions (round contour, main footprint)

- ❑ 310 x 245 x 46 mm
(12.2 x 9.65 x 1.81 in)

Temperature

- ❑ Operating: 5°C ~ 35°C
- ❑ Non-operating: -20°C ~ 60°C

Humidity (non-condensing)

- ❑ Operating: 20% ~ 85% RH, non-condensing
- ❑ Non-operating: 20% ~ 90% RH, non-condensing

Operating System

- ❑ Windows 95 or Windows NT (optional)

Battery Pack

- ❑ 29.4-WattHour Nickel Metal-Hydride battery pack
- ❑ 3-hour rapid charge for NiMH

Specifications

AC Adapter

- ☐ 45-Watt
- ☐ Auto sensing 100~240Vac, 50~60Hz

Options

- ☐ Additional NiMH battery pack
- ☐ Additional AC adapter
- ☐ 8-/16-/32-/64-MB EDO memory upgrade module
- ☐ External FDD module
- ☐ Higher-capacity hard disk drive
- ☐ PS/2 Y-cable
- ☐ Parallel cable
- ☐ File Transfer cable
- ☐ External numeric keypad
