Company Name:	<i>Yealink (Xiamen) Network Technology Co., Ltd.</i>
Equipment Name:	<i>IP Phone</i>
FCC ID:	<i>T2C-T46G</i>
Scope of the Certification Granted:	<i>FCC Part 15B</i>
BACL Project Number:	<i>B1302251</i>

Dear Sir or Madam:

Bay Area Compliance Laboratories Corp. would like to express to you our sincerest thanks for choosing BACL for your testing and/or certification needs.

We determined your equipment to be compliant with the applicable FCC rules based on a satisfactory and complete evaluation of your submittal.

A grant of certification issued by BACL under the authority of the FCC is included with this letter.

FCC Form 731 and all associated documents have been filed with the FCC in accordance with their requirements.

The certified equipment listed above must continue to comply with the FCC rules as well as BACL requirements as stated in the Product Certification Agreement (PCA), signed by BACL and the customer.

Pursuant to product certification and in accordance with FCC rules and requirements, you may be selected to provide a sealed production-line sample of your certified product to BACL for Post Market Surveillance Testing. Please reserve some production samples for this purpose.

Sincerely,

John Y. Chan
Certification Manager
